

## OPTIMA EAP LEGAL AND FINANCIAL SERVICE

Your Legal and Financial Service provides you access to a network of experts who can assist you with your legal and financial questions or concerns. Financial services are provided by credentialed professionals and consist of a free telephonic session. Legal services are provided by attorneys practicing in your area who offer free 30-minute consultation. In addition, if you choose to retain their services, you receive a 25% discount off the attorney's hourly fee in most areas of law.

### Counseling for Financial Issues including:

- Debt management
- Budgeting
- Credit report issues
- First-home buying
- Consumer education

### Counseling for Legal Issues including:

- Personal/family law
- Real estate
- Tenant issues
- Adoption
- Elder care/will/trusts/estate planning

### Identity Theft Recovery

If you ever become a victim of identity theft, the service will provide you a toll-free, telephonic, 30-minute consultation with an identity recovery professional. In the consultation, our professional will work with you to assess your situation objectively, create an action plan, and provide the knowledge and tools to implement that plan most effectively.
